RE: End-of-Year & Graduation Details

DATE: March 3, 2022

At 7 pm on Sunday, June 5 the Class of 2022 will begin its processional into Graduation Grove where diplomas will be handed out, words of wisdom will be imparted, and excitement and pride will be palpable – among the students, their families and the faculty.

Building up to that ceremony are many activities and deadlines unique to the senior year.

- This is the second of four mailings to help you and your student navigate these fun – but for some, unfamiliar – waters. It expands upon the dates provided by Jennifer Salrin at the January parent meeting (and posted on the 2022 class web site) and explains various upcoming events.
- The third mailing, which will cover graduation and other year-end details in more depth, will be sent after spring break.
- And the fourth mailing, in mid-May, will specifically address family seating at graduation.

Whether a veteran or rookie senior parent/guardian, please do not hesitate to call if you have any questions, at any time.

► *These mailings are posted on the Class of 2022 web site.* ◄

A LITTLE MORE ON MAY PROJECTS, AP EXAMS & GRADUATION

What Are May Projects?

JBS Contact: Jennifer Salrin ext 325

As a graduation requirement, each senior designs a program that allows the student to work away from Burroughs in a setting that is new for the student. The goals and outcomes are many: students learn new skills, establish a direct and continuous working relationship with an adult sponsor, and benefit the community beyond personal gain.

By March 4, all seniors should have completed the process of researching and writing their May Project proposals; the May Project Review Board evaluates all proposals to make sure that they meet the criteria we have established.

Beginning Tuesday, May 3, seniors will follow their own calendars and daily schedules but **must attend a seminar -- a one-hour meeting -- at 4 pm on Wednesday, June 1** to discuss the May Project with their advisee groups. Students keep a journal as an informal, written record of the project, providing them a way to evaluate the May Project experience as it unfolds. The journal is a requirement for graduation and is to be turned in to the May Project advisor at the June 1 seminar to help us evaluate the success of the project.

If at any time during the May Project your child becomes ill, both the sponsor and Jennifer Salrin must be notified. If any major changes – more than a day or two – are necessary, both the sponsor and the May Project advisor must approve the changes.

Your signature is required for each May Project proposal. If you have questions or concerns about the program, please contact Jennifer Salrin or your child's May Project advisor. With serious planning and commitment to the task, all seniors will have an outstanding, memorable, and valuable experience to close out their Burroughs years.

When Are AP Exams?

**JBS Contacts: Course Instructor
Johanna Nicholas ext 277**

The AP exam schedule for seniors is as follows:

| | | | |
|-------|-----------------------------------|--------|--------------------------|
| May 2 | Chemistry | May 9 | Calculus (AB/BC) |
| May 3 | Environmental Science, Psychology | May 11 | Spanish, Biology |
| May 4 | Computer Science | May 12 | French |
| May 5 | Macroeconomics, Statistics | May 13 | German, Latin, Physics 2 |

What Are the Basics of Graduation?

JBS Contacts: Jennifer Salrin ext 325
Ellen Bremner ext 355

Graduation is a one-hour ceremony set in the grove behind the STAR building. It includes a faculty processional, student processional, remarks by two seniors (selected from anonymous submissions), remarks by the head of school, presentation of diplomas, and graduate recessional. In the case of extreme weather, the ceremony is moved to the performance gym in the athletic center.

- What do the graduates wear? Dress is formal (white dresses, white pant suits, summer tuxedos). Simple, long white dresses may be purchased, borrowed from previous graduates or borrowed from Carrie Madigan (chair, Practical Arts Department, ext 279). Questions about dresses/ pant suits should be directed to Donya Allison (class sponsor, ext 229. The summer formals (white jacket, black trousers, shoes and socks) are rented by the school from Stallone's Formal Wear and storecarded (\$59 for the summer tux and, if needed, \$16 for shoes). Tuxedos will be fitted at school, and the rentals will be delivered to school and can be picked up in conference room #2 (off the Commons) at the picnic dinner for seniors and their parents on Thursday, June 2. *Graduates are responsible for returning their tuxedos to Stallone's Formal Wear at 9644 Clayton Road (in Ladue) after graduation.*

Students who wish to participate in the graduation ceremony are expected to cooperate with these dress parameters. Students who do not wish to participate in the ceremony may have their diplomas mailed to them.

- Is seating limited for family and friends? Each graduate will be assigned six reserved seats for the graduation ceremony. There also will be unreserved seating available behind and to the side of the reserved section. Seating charts will be mailed to each senior's family prior to graduation. The reserved seats will be assigned by lottery and will be tagged with the senior's name. It is the responsibility of the senior's family to determine who will use the reserved seats. Families may offer unneeded reserved seats to whomever they wish. After 6 pm, the unreserved seats will be available on a first-come, first-served basis. You may invite as many relatives and friends as you choose. Since the natural pitch of the grove is "stadium-style," there really are no bad seats.

After the ceremony, there is a reception with refreshments for all guests in the Quadrangle. Immediately following the reception, an OPTIONAL graduation dinner for grads and their families will be at Burroughs in the Commons and Haertter Hall (separate invitation will be mailed). After dinner, at about 10:15 pm, students will depart for a party held for grads (and chaperones) at the Shark Bar (Ballpark Village). *More details will be included in the next mailing.*

When Will We Learn More?

In early April, we will send out a third mailing which will cover everything from cleaning out lockers to graduation photography. Meanwhile, enjoy spring break with your soon-to-be graduate!
