

DRAFT Alumni Honor Roll FOR 2021–2022 SCHOOL YEAR

Giving back to Burroughs is a tradition made possible by our alumni and their parents who have donated generously ever since Burroughs celebrated its first class of graduates in 1926. The tradition of making an annual gift to Burroughs was formalized in 1960 with the inception of the Burroughs Annual Fund. In 1972, our Blue & Gold Society launched to recognize all donors who give \$1,000 or more in a single school year. Members of our Blue & Gold Society donate 80 percent of all dollars given to the Burroughs Annual Fund. More recently, we formed our Burr Oak Society to recognize donors who give up to \$999 in a single school year. This group of donors is profoundly important because they give 70 percent of all our annual gifts. Together, all of our donors collectively provide 12 percent of the school's operating revenue. Every gift matters. Our gratitude to all who continue the tradition of giving back to Burroughs.

The following lists reflect all giving to all campaigns between July 1, 2021 and March 31, 2022.

A small group of determined families gave to establish Burroughs, and we now have a larger group of equally determined alumni and their families who continue to give to support Burroughs. This year, a thoughtful alum will match all new and increased gift amounts.
